PURPOSE

The James Worthy Foundation, Inc. (JWF), a not-for-profit 501(c)(3) corporation, was founded in December 2004. The primary purpose of the organization is to be a mutually enforceable and value-added alliance partner to those community support organizations that have synergies with our “Pillars of Success”.

SERVICES

JWF has embraced this spirit of community service and is fully committed to working with all of the many points of lights in the Southeastern North Carolina region and serving as a mentor and focusing entity to help them synchronize their efforts into a “Laser of Realization”. We are passionate about improving the quality of life and health of people and communities throughout Gastonia and the foundations philanthropy reflects that passion. We focus our grants and community involvement in the areas where we can make unique and positive contributions.

GOVERNANCE

The JWF is governed by a nine member elected Board of Directors. To ensure that the JWF’s governing policies are in line with the needs of the community, only members are eligible for election to the Board of Directors. The officers of the Board are: President, Vice- President, Executive Director, Secretary, and Treasurer.

SUPPORT

The JWF is a private sector initiative funded by membership dues and contributions from foundations and major corporations. The Annual James Worthy Golf Tournament and Awards Luncheon is one of our premier fund-raising event. Each year JWF supporters and friends gather to acknowledge the efforts of, individual, communities and sponsors. These awardees are acknowledged for their success in their “Pillar of Success”.

ACCOMPLISHMENTS

The JWF’s ability to be effective is strengthened by its history of strong program initiatives, the active participation of its membership and its relentless pursuit of opportunities for its members. It has gained the respect and support of the corporate community by offering its members management expertise and entrepreneurial opportunities they desperately need.
